

# CLASSIC CANS

From personal care to specialty and pharmaceuticals, Ball Aerocan's line of impact extruded aluminium aerosol cans provide safety and protection for your products, including a UV barrier, a wide range of internal lacquers and up to 21-bar pressure resistance. Furthermore, our printing capabilities include unparalleled innovative graphic solutions to help differentiate your product on the shelf.

Filling Capacity (ml)		Shoulder					
		Ogival 1"	Ogival with Rim 1"	Ogival 20mm	Spherical 1"	Flat 1"	Transfer 1"
